| GENERAL ROUTINE ACTIVITIES EXPECTED TO OCCUR: | APPROXIMATE LOCATIONS (<i>i.e. between bridge A & B, latitude/longitude, near (named) road etc. </i>): | TIME OF YEAR WORK EXPECTED TO OCCUR: | APPROXIMATE OCCURRENCES PER YEAR(s) | BRIEF DESCRIPTION OF EXPECTED WORK | EXPECTED EQUIPMENT USE (<i>i.e. dozers, dumptruck, grader, etc.</i>) |
|--|--|--------------------------------------|-------------------------------------|------------------------------------|--|
| Levee maintenance requiring machinery in main channel | | | | | |
| Rip rap installation and/or maintenance | | | | | |
| Drop structure maintenance | | | | | |
| Grade stabilizer maintenance | | | | | |
| Dike maintenance (earthen/sand) requiring machinery in main channel | | | | | |
| Channelization, berm creation for purpose of water re-direction and/or spreading | | | | | |
| Sediment removal-concrete channel | | | | | |
| Sediment removal-riverbed | | | | | |
| Sediment/sandbar spreading-riverbed | | | | | |
| Sediment removal-bridge structures | | | | | |
| Low flow excavation | | | | | |
| Low flow relocation | | | | | |
| Temporary stockpiling of material within SAR channel | | | | | |
| Native Vegetation removal-riverbed | | | | | |
| Native Vegetation removal-tributaries | | | | | |
| Native Vegetation removal-access roads | | | | | |
| Native Vegetation removal-concrete channels | | | | | |
| Native Vegetation removal-other | | | | | |

| | | | | | |
|--|--|--|--|--|--|
| Exotic vegetation removal - riverbed | | | | | |
| Exotic vegetation removal-tributaries | | | | | |
| Exotic vegetation removal - other areas | | | | | |
| Herbicide application-riverbed | | | | | |
| Herbicide application-levees, groins, other areas | | | | | |
| Vehicle crossings of wetted channel for non-emergency actions | | | | | |
| Trash/debris removal-riverbed | | | | | |
| Trash/debris removal-tributary | | | | | |
| Trash/debris removal-concrete channel | | | | | |
| Shutdown of discharge for scheduled maintenance | | | | | |
| Flow changes for measurements and maintenance | | | | | |
| Vehicular crossings for water quality monitoring | | | | | |
| Inspection and maintenance of pipelines, gates, manholes, drains, headwalls, paving, or other structure that requires wetted channel crossing, vegetation removal or water diversion | | | | | |
| Maintenance activities within constructed wetlands | | | | | |
| Maintenance activities within recharge basins | | | | | |
| OTHER ACTIVITIES NOT LISTED ABOVE: | | | | | |
