Mr. Kurt Berchtold  
Regional Water Quality Control Board  
Santa Ana Region 8  
3737 Main Street; Suite 500  
Riverside, CA 92501-3339

Dear Mr. Berchtold

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD, SANTA ANA REGION  
RESOLUTION NUMBER  R8-2008-0019

San Bernardino Valley Municipal Water District is located within the Santa Ana River Watershed area and overlies the Bunker Hill A and Bunker Hill B Basin Management zones together with portions of the Lytle Creek, Rialto, Yucaipa, San Timoteo, Colton and Riverside Basins Management Zones. San Bernardino Valley Municipal Water District is a State Water Project water contractor and imports State Water Project water from northern California for direct uses and groundwater recharge use within the District. San Bernardino Valley Municipal Water District is a signature party to the Cooperative Agreement to Protect Water Quality and Encourage the Conjunctive Uses of Imported Water in the Santa Ana River Basin, and is responsible under that agreement and Resolution Number R8-2008-0019 to provide certain information related to the import of State Water Project water for groundwater recharge uses. Under the Cooperative Agreement and Resolution Number R8-2008-0019, San Bernardino Valley Municipal Water District is providing the reports referenced in Paragraph 4. of the agreement for the Yucaipa Basin Management Zone and the San Timoteo Basin Management Zone.

San Bernardino Valley Municipal Water District in cooperation with Yucaipa Valley Water District provided imported State Water Project water that was placed into Wilson Creek Flood Control and Recharge Basins in the Yucaipa Basin Management Zone for groundwater recharge during calendar years 2009, 2010 and 2011. San Bernardino Valley Municipal Water District and Yucaipa Valley Water District will continue to provide imported State Water Project water for groundwater recharge in the Yucaipa Basin Management Zone in the future. A summary report and a copy of the Second Report of Recharge Parties analyzing the impacts of this recharge projected for the next 20 years are attached.

General Manager
San Bernardino Valley Municipal Water District does not have facilities and did not provide State Water Project water for groundwater recharge use within the San Timoteo Basin Management Zone during calendar years 2009, 2010 or 2011. San Bernardino Valley Municipal Water District does not intend to develop facilities or deliver imported water into the San Timoteo Basin Management Zone during the next six calendar years. San Bernardino Valley Municipal Water District has in cooperation with Yucaipa Valley Water District and San Gorgonio Pass Water agency prepared an analysis and projection of ambient water quality for the San Timoteo Basin for the next 20 years. A summary report and the Second Report of Recharge Parties are attached.

San Bernardino Valley Municipal Water District, Yucaipa Valley Water District and San Gorgonio Pass Water Agency appreciate the cooperation of the Regional Water Quality Control Board, Santa Ana Region in this matter.

Sincerely

[Signature]
