A. **FISCAL YEAR 2017-18 REPORT ON AUDIT (CM#2018.117)**

Joshua Calhoun, Teaman, Ramirez & Smith, Inc., provided an oral report on the Fiscal Year 2017-18 report on audit, commending Chief Financial Officer Karen Williams and staff for their preparation prior to and responsiveness during the audit. Mr. Calhoun reviewed the audit report materials contained in the agenda packet, stating there were no problems or issues encountered in conducting the audit and no significant material misstatements or audit adjustments that were encountered throughout the audit process.

Commissioner Evans asked about internal control and segregation of duties. Karen Williams advised the General Manager is now involved in the process. The work is distributed in such a way to ensure a checks-and-balance process. Calhoun stated that the process, in combination with other measures, is appropriate and they have no segregation of duty concerns.

The Commission next considered Agenda Item No. 3.

**MOVED**, review the Comprehensive Annual Financial Report (CAFR) for the Fiscal Year Ended June 30, 2018, which includes the Report on Audit prepared by Teaman, Ramirez & Smith, Inc.: (1) Accept the CAFR, including the Report on Audit as prepared by Teaman, Ramirez & Smith, Inc.; (2) Direct staff to file the Report with the respective government agencies as required by law; and, (3) Direct staff to submit the CAFR, with any necessary changes, for the Certificate of Achievement for Excellence in Financial Reporting Award.

B. **AWARD OF CONTRACT FOR STATE ADVOCACY AND LOBBYING SERVICES (CM#2018.118)**

Larry McKenney provided an oral report. A Request for Proposals (RFP) was issued, and West Coast Advisors submitted the only proposal.

Commissioner Whitaker noted the Orange County Board of Supervisors is set to consider whether they will seek a separate funding option outside the OWOW process. If that were to proceed, would the lobbyist be deployed in efforts to defeat that action by Orange County? McKenney responded that the lobbyist represents SAWPA; however, in the past an exception was created when a lobbyist also had as a client a SAWPA member agency with views dissimilar to SAWPA’s. In that case, the policy was revised delecting staff to seek direction from the Commission. In this case, if the Orange County stakeholders (which would include OCWD) should elect to proceed, we would anticipate the lobbyist would assist with SAWPA’s position. Under the scope of this contract, West Coast Advisors will engage with DWR on behalf of SAWPA. However, staff will follow policy as enacted.
MOVED, approve award of contract to West Coast Advisors to provide advocacy and lobbying services in Sacramento for a period of two (2) years in an amount not to exceed $235,000, with an option for two (2) additional years in an amount not to exceed $240,000.
